

Support

Devices

We have been given a number of laptops by the DFE plus school have invested heavily in purchasing tablets for families.

If you need a device to support home learning, then please contact Mrs Chapman who will do her best to help you.

Free School Meals

We have a large number of children who are entitled to free school meals. In the case of your child having to self-isolate, we will endeavour to deliver a food parcel to your house on a weekly basis. This also applies if we have a bubble closure. Alternatively, we can deliver a daily hot meal to your house at lunchtime for your child.

In the case of a full school closure or national lockdown, we are able to offer daily hot or cold meals to be collected each day for your child. We can also offer weekly food parcel, these will need to be collected from school due to the high number of children involved making delivery to the sheer number of people very difficult.

The other option that we can provide is a supermarket voucher through the national government scheme. These vouchers can automatically be emailed to the parent of each Free School Meal child on a weekly basis and can be used in a variety of supermarkets.
