

Appeals Timetable 2024/2025

If your child has been refused a place in your preferred school(s) this will be because the school(s) received more applications than available places and other children had a higher priority in accordance with the admissions criteria. Your refusal was made on the grounds of **Infant Class Size Legislation**, with the exception of those few schools listed in your letter.

You have the right to appeal against this decision; we advise you read and understand the grounds of Infant Class Size appeals before submitting your appeal. Please refer to the statistics below, given the limited nature of the possible grounds on which an appeal may be allowed under Infant Class Size.
