Dear Parents/Carers

Welcome back to school,

I hope you all had an enjoyable, well rested and blessed summer holidays

Here in Year 5, we endeavour to make it a learning journey that your child will never forget and one which will prepare each of them for the adventures of upper KS2. You can help your child along that path by hearing them read 10 minutes a day and/or using Reading plus on a regular basis. You can also help them to learn their spellings, times tables/Dream box maths and complete homework.

PE kits need to stay in school all half-term. So, if you haven't yet, please send in a PE kit with your child as soon as possible. Homework must be returned latest Wednesday; it is essential homework is completed weekly.

Please also ensure spelling books are in every Monday. We are preparing children for Year 6 and KS3 so children will be expected to take responsibility of these resources.

As always, if there are any queries about anything, please do not hesitate to come and see myself or Mrs Philpott. We are always pleased to help in any way possible.

Warm regards,

Miss Bate

### What are we learning about?

This Term our topics are:

Maths: Place Value, Addition and Subtraction,  
Statistics and Multiplication and division.

|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><u>Values for Autumn Term:</u></p> <p>Compassionate and Loving– before half term</p> <p>Compassionate: Thinking about one another and showing love and kindness.</p> <p>Loving: Showing love to everyone as Jesus teaches us to.</p> <p>Faith-filled and Hopeful– after half term</p> <p>Faith-filled: Be guided by faith and all of Jesus' teachings.</p> <p>Hopeful: Having hope in Jesus and the Trinity and the power they hold.</p>            | <p><u>Children as leaders</u></p> <p>In Year 5 class the children have the opportunity to be: Creation Guardians, on the School Council, a Mini Vinnie, part of the School Mission team, Digital leaders and prayer leaders.</p> <p>Plus lots of children will have individual responsibilities in and around the classroom and school.</p>                                                                                                                                                                                                                                                                                                                                                                  |
| <p><u>Catholic Social Teaching &amp; British Values</u></p> <p>Throughout the curriculum and beyond children learn about the 7 principles of Catholic Social Teaching - Working in Solidarity, Care for Creation, Community &amp; Participation, Dignity of Workers, Help for the Poor &amp; Vulnerable, Human Dignity &amp; Solidarity and how they link to British Values – Democracy, Rule of Law, Individual Liberty, Respect &amp; Tolerance.</p> | <p><u>St Joseph's Way – See our website for more details</u></p> <p>At St. Joseph's we develop children's character through the 'St. Joseph's Way' curriculum. In order to build character, we define the behaviours and habits that we expect students to demonstrate. We want to support our pupils to grow into adults who are polite, respectful, grateful and who put others before themselves. We believe that, as pupils practise these behaviours over time, they become habits that positively shape how they feel about themselves and how other people perceive them. As philosopher Will Durant states, "We are what we repeatedly do. Excellence, then, is not an act, but a habit." (1926)</p> |
